

We need help from ALL Parents (for all grade levels) for **Trabuco Hills High School** **GRAD NIGHTS**

What is Grad Night?

Grad night is an all night party following graduation with your classmates; including food, entertainment, music, prizes, games videos, keepsakes and so much more!

History of Grad Night

After graduation night in Maine, a traffic accident claimed the lives of 12 seniors: Parents decided to fight back. The idea of Grad Night was born. For a decade, the Grad Night Foundation has been helping parents all over the country organize their own Grad Night celebrations. The idea is to have a celebration...a drug-free, alcohol free celebration, where kids can safely have a great time with their graduation class.
